Schedule a Radio Show Interview

50 dates and times just released for May!

<https://form.jotform.com/LDNRT/May>

Sharing your LDN experience on a radio show is a great of getting your information out there for free.

Recordings are twenty minutes via Zoom, and we add the audio to all our Radio Platforms, including Spotify, iTunes, Google and Amazon Podcasts etc. We also upload the videos to our Vimeo, YouTube, Instagram and FB Channels. We promote the shows on all our Social Media Platforms , Newsletters and our Website.

[Book online here.](#)

We will be releasing dates in September later in the year.

Radio Show Sponsorships Available

Cost £250 per show, six shows for £1,000

For Members and Guests - \$150 for your recording.

Advert includes 50 words, your photo, website logo and link, and phone numbers added to the radio. One advert per show played at the start and end of the Zoom recording and the audio for the radio platforms.

**Would you like to write an LDN article
for our newsletter in 2022?**

The LDN Research Trust partners with clinicians, clinical researchers, pharmacists, and patients to support breakthroughs in treatment for autoimmune diseases and cancer via the development of clinical trials. Now, more than ever, we must encourage life-long learning among clinicians so that they may exceed the standard of care. CME ensures the enhancement of clinicians' performance and the pursuit of patient health.

Would you like a dedicated LDN Webinar for your Business in association with the LDN Research Trust?

Email linda@ldnrt.org to discuss

Duration: Live 1 - 2 hours with 1- 3 presentations and 30 minute Q&A.
Or, broken up as you wish, we can overrun by 15 minutes.

Speakers: You can invite whoever you wish, your staff, local medical professionals who prescribe or compound LDN. Linda Elsegood can talk if required.

Hosting: You can host, or Linda can do that for you.

Cost \$1,000: this will cover zoom software, editing the recording (video and audio), running the live webinar, creating banner adverts and promoting them in our newsletters, mailing lists, social media etc
You would be announced as the sponsor and have your logo and website address on the videos and website address given on the audio.

Registration links are given for you to email your contact who would be interested.

After the Live Event: We will market the whole webinar and each individual presentation, as set out below. This will give further exposure.

Video: We will schedule video recording as an event to go out on Vimeo, YouTube, and Facebook. Email blast to our mailing list of over 12,000 who open them regularly, plus emails to our dedicated webinar mailing list, with over 2,000 people, with 52% being medical professionals and in our newsletters and social media platforms. 85% are in the US, Listed on our Events page on our website.

Audio Recording: We will schedule radio shows on Spotify, iTunes, Google and Amazon Podcasts, Captivate FM, Mixcloud and at least another 10 platforms, and the list keeps growing.

Your Business: Your business name and website address will be shared on all the above, driving more traffic to your website.

Tomorrow's Solutions for Today's IT Needs

Remote Monitoring and Management Throughout the US

- Efficient and Proactive Monitoring
- Removes time-consuming IT tasks that take you away from your business
- Virus and Malware scans and protections
- Ensures patches and OS/Software updates and "up to date"
- Quicker repair times for non-network outage tasks and repairs
- It is like having your own IT staff right there to fix problems quickly, perform updates and install software
- Constant monitoring can help catch those "Gremlins" causing intermittent problems
- Increased and improved security
- Can help offer protection from RansomWare

15% Discount on the above service until April 29th
