

Submit your proposed LDN Presentations for the 2017 Conference Deadline 10th December 2016 or until all slots are filled.

There are 120 x 15-minute pre-recorded Case Studies slots available.
The recordings will be made into professional videos which will be added to the conference website.

Pre-recorded LDN Case Studies presentation: 15 minutes

- **Title** (please be creative and do not include the word LDN, as this will help us with credits)
- **Description** (300 word max)
- **Session Learning Objective**
- **Session Outline**

Pre-recorded Presentations

We require you to purchase for your cell phone a microphone for professional audio
http://cyp.com/index.php?t=product/rode_smartlav-plus&gclid=CPSdwt-izcwCFRK3GwodSIUDgw
Full details will be given how to record the audio.

The pre-recorded presentations will be made by us; we require your PowerPoint presentation and your voiceover by **22nd March 2017**. As the presentation videos are made they will go live on the conference website.

When proposals have been approved, presenters will be notified by email and asked to sign and return the agreement letter, a short bio and high resolution photograph for the website.

Thank you for expressing your interest and I hope to receive your proposal soon.
